

JANOME

MODEL 423S

One-Step

Easy-to-operate heavy-duty machine

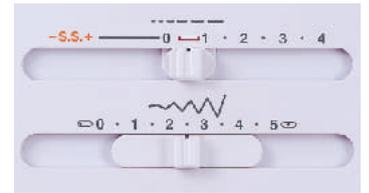

Adjustable foot pressure
Pressure regulator dial adjusts foot pressure for precise feeding. You can have better control on your fabric ; silks to jeans.

One step buttonhole
Just set a button in the appropriate place on the buttonhole foot and lower the lever, and a perfect buttonhole is automatically made in one step.

Auto-declutch bobbin winder system
Simply push to the right to wind the bobbin.

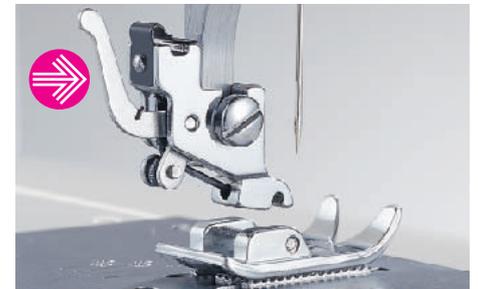

Stitch length & width adjustment lever
These levers can adjust stitch length and width. Stretch stitch feed can be also balanced with the lever.

Convenient one-hand thread cutter
Since threads are cut neatly you can easily start sewing again without the trouble of tangled threads or unthreaded needle.

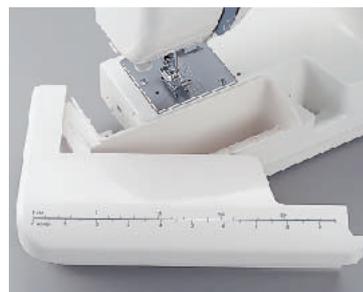

Built-in needle threader
Makes needle threading easier and there's no strain on your eyes.

Quick foot conversion
Just touch the bar to remove the foot, and simply lower the presser foot holder onto a sewing foot.

Sewing on heavy weight fabrics
With heavy-duty aluminum die-casting construction, extra-high presser foot lifter and high needle penetration power, heavy weight fabric can be sewn smoothly without jamming.

Extension table
The extension table widens the sewing area. Sewing accessories are easily and conveniently stored underneath extension table.

Drop feed lever
Drop feed lever, for easy lowering of the feed dogs for free motion sewing, is located underneath the free arm bed.
